## Letter from the Chair

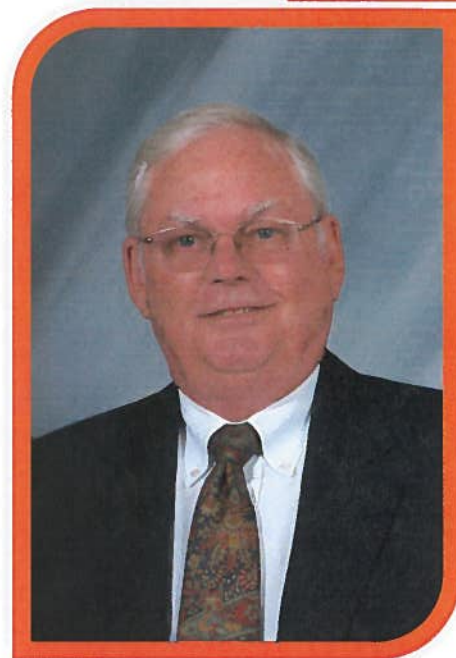

The year 2012 was a major transitional period for the Visiting Nurse Service Foundation, Inc. Under the capable leadership of Interim Manager Madonna McGrath and a dedicated Board of Directors, our mission and vision were clarified. The Foundation by design was obliged to separate from its founding organization, the Visiting Nurse Service, as the VNS became affiliated with the Franciscan Alliance.

Computers, phones and a new website- [www.vnsf-giving.org](http://www.vnsf-giving.org)- were secured so that the Foundation could embark on its own journey.

In October the Board of Directors unanimously welcomed Tom Fodor to Indianapolis as the Foundation's first full time Executive Director CEO. His most important job was to ensure the continued success of two community treasures: The Abbie Hunt Bryce Home for homeless hospice patients; and the 35 room Pennwood Place Apartments for low income seniors. Combine those two programs with occasional grants that support home health plans, and the Foundation directly impacts more than 100 people per year!

We wish to thank the Franciscan Alliance for its annual commitment of support, which totaled \$450,000 this past year. We also appreciate our donors, who annually contribute more than \$100,000 to our operations. Together we continue to make a difference as the Foundation fulfills its mission of compassion and community impact.

*John Triller, Chair*

## Community Impact

Founded by the nationally renowned Visiting Nurse Service of Indianapolis in 1984, the **Visiting Nurse Service** Foundation serves the community through the following Mission:

*Visiting Nurse Service Foundation, Inc. fosters nonprofit community services and programs in Indiana for the terminally ill, seniors, families and the homebound who are without means and in need of health, wellness or end of life care.*

In 2011, the VNS Foundation began operating separately from its founding organization. Its legacy and community impact were notable in 2012:

- **Thirty (30)** Hoosiers spent their final days as **Abbie Hunt Bryce Home** residents. The Home was created in 2004 to provide free housing for the homeless as they receive end of life hospice services.
- **Total number of days** provided free at the Abbie Hunt Bryce Home: **2,254**.
- Every night 35 seniors and/or couples enjoy safe, affordable housing at the **Penwood Place Apartments**, opened in 2011 to serve low income seniors. In all, **12,390 days of low income senior housing** was provided.
- **\$14,763** was spent on individual grants to support indigent and hospice home care.
